Sir,

CM 39-55-22
Subject - Exemption from the payment of
Municipal Taxes

In continuation of this office letter No 2588 dated
2nd January 1955, regarding the above subject, I write to
state that out of the 23 buildings for which exemption was
recommended for the reasons stated in the list, approval was

1 Palace Stables } accorded for according exemption only
2 Palace Garage }
3 Palace Gajashala } to five of them as noted in the margin
4 Palace Offices }
5 Palace Laundry } in G O No L 6481/C M 39-55-14 dated

1-9-1955

I am directed to address you again for a reconsideration
of the orders communicated in the above Government Order for
the reason that most of these buildings are not meant for
private use I may mention as an instance in point that the
buildings called VASANTHA MAHAL, LOKARANJAN MAHAL & MANORANJAN
MAHAL are meant purely for guests and ~~none~~ none of them is being
used for residential purposes

The second set of instances contains the Motor Garage
Stores, Palace Stables Workshop, Palace Water-running Station
and Palace Janshala These buildings are strictly speaking
only adjuncts to the Main Palace They have been situated
away from the Main Building for obvious reasons If these
buildings are taxed it is felt that it will tantamount to
assessing part of the Main Palace

The third set of cases refers the Jagan Mohan Palace
Chitrashala and the Banni Mantap Buildings The former is a
Trust Property in the nature of public charity intended only
for the benefit of the public And the latter is a building

building used only on State occasions for ceremonial purposes
The group of buildings such as, the Ursu Boarding School and the
Boarding Home and the Palace Dispensary are being maintained only
for the benefit of the public

I have enclosed a list showing the names of buildings for which exemptions are claimed along with the reasons on which the claims are based

I request you to be good enough to place the matter before Government and obtain necessary orders of exemption
